

Marion County Internet Library

fast, reliable, and accurate

Business & Company Resource Center Brings together company profiles, brand information, rankings, investment reports, company histories, chronologies and periodicals. Search this database to find detailed company and industry news and information.

CQ Researcher Covers today's most important issues and controversial subjects in an in-depth, single subject report on topics from teens to environmentalism as well as health, education, Science, and technology. Features comments and analysis from experts, lawmakers, and citizens on all sides of an issue.

Global Issues in Context Offers international viewpoints on a broad spectrum of global issues, topics, and current events. Featured are hundreds of continuously updated issue and country portals that bring together a variety of specially selected, highly relevant sources for analysis of social, political, military, economic, environmental, health, and cultural issues.

Grzimek's Animal Life Provides students and researchers with a dynamic, interactive resource that provides unequaled coverage on more than 4,000 species, and includes more than 11,000 images, videos, illustrations, and maps.

The Indianapolis Star Includes full-text coverage of local and regional news back to 1999. Obituaries are included but paid advertisements and free-lance writers are not.

Literature Resource Center Find up-to-date biographical information, overviews, full-text literary criticism and reviews on more than 130,000 writers in all disciplines, from all time periods and from around the world.

Opposing Viewpoints in Context Features continuously updated viewpoint articles, topic overviews, full-text magazines, academic journals, news articles, primary source documents, statistics, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.

Science in Context Is an engaging online experience for those seeking contextual information on hundreds of today's most significant science topics. Includes reference content with full-text magazines, academic journals, news articles, experiments, images, videos, audio files and links to vetted websites.

SIRS Discoverer A general reference resource for grades 1-9, makes learning fun and intuitive. Helps students develop their research, writing, language, and computer skills. Includes carefully selected, 100% full-text articles and images from more than 1,900 domestic and international newspapers, magazines, and government documents.

SIRS Knowledge Source Provides relevant, credible information on social issues, science, history, government, and the arts and humanities. Full-text articles, govt documents, reference books, graphics, and internet resources are carefully selected from thousands of domestic and international publications

Student Resources in Context Information on a broad range of topics, people, places, and events. Provides authoritative reference content with full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites.

World History in Context Information on hundreds of the most significant people, events and topics in World History with authoritative reference content, full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites.

What is MCIL?

The Marion County Internet Library offers free access to thousands of authoritative, full-text articles from verifiable, subscription-only sources, such as current magazines, journals, newspapers, and business information. All Marion County residents can access these databases using internet connected devices from libraries, home, school, or office.

Since free information can be found on the internet, why should I use MCIL?

MCIL provides content that is more reliable and relevant than what you may happen upon in an internet search. Every search yields results you won't see elsewhere. The vast majority of the journals available through MCIL are behind paywalls on the web.

Who pays for MCIL?

The database subscriptions are purchased with a grant from the Library Fund of The Indianapolis Foundation.

How to connect:

from home or office:

1. Type: <http://www.iLibrary.org> into your browser's location field.
2. Type in your Indianapolis Marion County Public Library barcode number and PIN and click, "Login."
3. Click on the database you want to search.
